

The specific objective of the 'Go For Ghana' Project, Strathclyde Circuit is to assist the Methodist Church, Ghana in its national agenda of ensuring quality worship and well-being of the individual Churches together with their members. This broader aim is to be achieved by the provision of personal items and logistical support to the less-privileged Churches and communities in Ghana so as to enhance the organisational and worship life of these Churches and communities and their members. The items to be collected can be new or used clothes, books, shoes, toys, bibles, hymn books, etc .

James 2: 16-17;

"If a brother or sister is without clothing and in need of daily food, and one of you says to them, "Go in peace, be warmed and be filled," and yet you do not give them what is necessary for their body, what use is that?"

Even so faith, if it has no works, is dead..."

If you would like to find out more about the Ghanaian Methodist Church in Glasgow or have any of these items that you would like to give to the less privileged please.
